

The topic for this term is The Ocean.

Over this half term our younger pupils will we will be enjoying a variety of sensory stories including:

We will have fun opening our treasure chests and making sand castles and using the picture books as inspiration for art and craft activities.

Our older learners will be learning about the effect of pollution in the oceans and how we can help by recycling our rubbish. We will also be looking at the variety of ocean life in the frozen seas compared to the coral reefs of the warm oceans.

All classes will have the opportunity to enjoy the DVD's of Finding nemo and the little mermaid.

The English focus for the younger pupils this term is 'Listening and Attention' and for the older pupils it is word reading. These learning objectives will be covered through topic and through other subjects including Forest school.

The maths focus this term is number

For our younger pupils this will involve joining in with lots of counting songs and rhymes and counting motivating items up to 10.

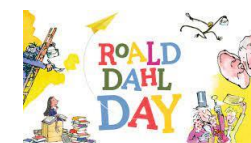

The older pupils will be working on solve number problems involving the addition and subtraction of single-digit numbers up to 10 and number bonds to 5 and 10.

The PSHE focus for this term is on Self Awareness, focussing upon celebrating those things we are good at, learning how to be a good friend and dealing with our emotions.

**Good friends...
help each other remember the
rules**

ROALD DAHL DAY CELEBRATIONS

On Friday 15th September we will be celebrating Roald Dahl Day with fun activities based on some of his most famous books including The BFG, Charlie and the Chocolate Factory and James and the Giant Peach
