Funny Bones

Main Learning Intention

- ❖ **For all learners** to explore bones through stories, arts and crafts, and research.
- ❖ To generalise mastered targets including social skills into group settings.
- ❖ **For some learners** to develop and demonstrate understanding of skeleton bones names; the function of bones; and how we can keep them healthy.

Optional Home activities:

- ❖ Books: Funnybones book series
- ❖ Books: The Skeleton Book: Get to Know Your Bones, Inside Out
- ❖ Take part in a variety of physical activities:
Low impact including cycling, swimming, walking and yoga.
Higher impact including running and tennis.
- ❖ Visit the dentist, doctors, and /or physio.
- ❖ YouTube: How do our muscles and bones work? | BBC Teach
