

The topic for Puffin and Oak class this term is Funny Bones .

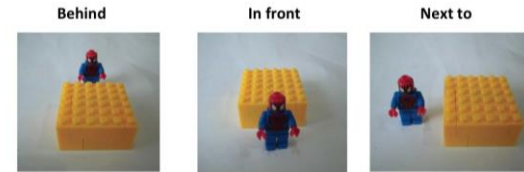

Over this term we will be thinking about our bodies and how to stay healthy through a variety of sensory activities and stories. This will include songs and action rhymes, arts and crafts, exploring different fruits and joining in with the following stories:

We will think about the importance of being active through running, balancing, dance and yoga and in science we will be learning the different names for main body parts.

The maths focus this term is Shape, Space and Measure

We will be working on positional language including in, on, under, behind and next to through a variety of activities such as the ones below:

We will work on positional language by programming the beebot

We will be naming and exploring a variety of 2d shapes through activities such as puzzles, threading, printing, posting, lotto and going on a shape hunt

The focus for PSHE is Managing Feelings

We will be looking at our feelings and linking them to the Zones of Regulation. We will explore what it is like to feel angry or sad and what we can do to help us to deal with these emotions.
