At Step By Step we have policies and procedures in place to ensure our pupils feel supported and everyone, whatever their role is aware of the importance of Safeguarding.

Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone who comes into contact with children and their families has a role to play. In order to fulfil this responsibility effectively, all practitioners should make sure their approach is child centred. This means that they should consider, at all times, what is in the best interests of the child.

If you have any safeguarding concerns please complete a Welfare Concern Form or contact one of the team above today
